

ΗΜΕΡΑ ΞΕΝΩΝ ΓΛΩΣΣΩΝ – ΑΓΓΛΙΚΑ – Α ΑΡΣΑΚΕΙΟ ΛΥΚΕΙΟ ΨΥΧΙΚΟΥ
Α. Κεραμίδα

- + How long have you been learning English for?
- + What are three reasons for which you have been learning English?
- + What have been some of the challenges in your learning journey since you started learning English? Give specific examples and talk about how you overcame them
- + What is a motivating force for you through your English language-learning journey?
- + What is the most rewarding part for you in your experience of learning English?
- + How do you intend to use English in the future? Be specific, giving two to three examples
- + Besides learning English for practical purposes, what other reasons are there that motivate you to study and learn it as a foreign language?
- + Have you ever visited a country where English is spoken as a first language? What was the experience like for you?
- + Think about Anglophone culture (the culture of countries where English is spoken as a first language, like the UK, the USA, Canada, Australia, New Zealand etc.) What aspects of the culture of any of these Anglophone countries do you find appealing/interesting? Why? (Think about art, food, literature, architecture, sports, lifestyle, music, cinema/theatre, fashion in any of the Anglophone countries.)

- Watch the video *How language shapes the way we think*. While you are watching make brief bullet-point notes on the following points:

<https://www.youtube.com/watch?v=RKK7wGAYP6k>

1. Three things/facts the speaker mentions about how language works that you thought were really interesting. Why?

2. Two things/facts about how language works that surprised you
3. Two things/facts about how language works that you would like to find out more about
4. One question that you would ask the speaker at the end of her talk, if you were a member of the audience

Now, discuss your thoughts/answers with your task partner. To share your ideas from the notes you have made, use some of the following expressions that you find useful for expressing your opinion:

What I thought was that...

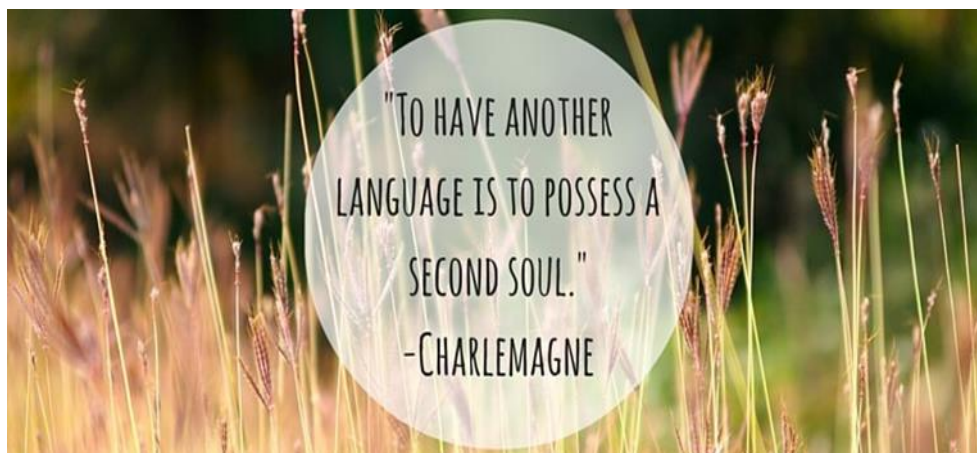

One of the reasons I singled out these three/two specific things is that...

What really made an impression on me was...

The way I see it is that....

These two three/two facts she mentioned got me thinking about...

I definitely see your point that...

- **Think carefully about the quote and share your opinion about it with your class.**
